Subject: Regional Response Center

Good Afternoon Melissa: I know you are out in the field and up to your ears in alligators with the Freedom Industries response, but I just wanted to let you know I have asked Cindy Santiago to serve the OSC role in the Regional Response Center. No worries and certainly nothing negative from your end. Rest assured there will more opportunities to engage in the RRC as we revamp the program moving forward. Call me if you would like and I would be more than happy to discuss. If not, no problem. I am around today and tomorrow.....than Grand Jury duty on Wednesday (not available).

Thanks.....dave

David P. Wright, Director

Office of Preparedness and Response

Mid - Atlantic Region

United States Environmental Protection Agency (3HS30)
